WE WANT YOU TO EXHIBIT AT THE 2018 WELLNESS EXPO!

5th Grade Wellness Expo – Fri., February 16, 2018, 8:30am-12:30pm

The 5th Grade Wellness Expo will host approximately 400 Logan County 5th graders at the Lincoln Park District Indoor Sports Complex. The 5th Grade Wellness Expo offers you an opportunity to provide 8-minute presentations to groups of 3-5 5th grade students. Students will rotate to new vendors every 8 minutes. In order to allow exhibitors time to present information, it is important that all exhibitors keep the students busy for the full 8 minutes. You will give presentations to approximately 100 students, and an additional 300 students may browse through your booth.

Community Wellness Expo – Sat., February 17, 2018, 9am-1pm

The Community Wellness Expo will host between 500-1000 Logan County residents at the Lincoln Park District Sports Complex. Exhibitor booths will be open to the community for browsing. The event will also feature an inflatables for children, healthy cooking demonstrations for adults and children, a live radio broadcast, and more. We will be offering an activity for visitors to encourage interaction with the all exhibitors. Details to be announced. Also, please consider bringing a door prize! We advertise giveaways and door prizes in our marketing to encourage attendance.

EXHIBITOR TIPS AND TRICKS

- This year's theme is "Go, Slow, and Whoa Your Way to Health!" Exhibitors are encouraged to keep with the theme.
- One 8 foot table and 2 chairs will be provided, unless specified otherwise on registration form.
- We recommend the use of tablecloths or table covers.
- To protect the Lincoln Park District facility and in keeping with our message of promoting health, only water will be allowed in the exhibit area. **PLEASE DO NOT GIVE AWAY FOOD, DRINKS OR CANDY.**
- A hospitality room for vendors will be available Friday and Saturday morning (7am-9am) featuring light food and beverages.
- A breastfeeding room is available on Saturday.
- Exhibitors may set up Thursday evening or Friday evening anytime after 4pm.
- Vendors should arrive by 8:30am on Saturday and are expected to keep booth open until 1pm.

Thank you for your time and consideration. We hope that you are able to participate! All questions may be directed to Susan Tracy at the Logan County Department of Public Health via phone at 217-735-2317 or by email at stracy@lcdph.org.
