- 20 other individuals who will be on the release tomorrow for a total of 28 new cases in 24 hours.

The total number of confirmed positive cases in Logan County is now **375** including **292** individuals who have recovered, 83 active cases and **1** fatality.

### Logan County Data

A continually updated table of Logan County data is maintained by the Logan County Department of Public Health and is available at [www.lcdph.org](http://www.lcdph.org).

NOTE: A recovered individual is someone who has tracked their symptoms twice daily and reported that they have been fever free for 24 hours to the Logan County Department of Public Health. The total number of positives on the Logan County dashboard represents a historical running total of confirmed positive cases. Recovered individuals are never removed from the total number of positives.

### Statewide Data

A continually updated map of statewide data is maintained by the Illinois Department of Public Health and available online at: <https://www.dph.illinois.gov/topics-services/diseases-and-conditions/diseases-a-z-list/coronavirus>

### Free Testing Provided by the Logan County Department of Public Health

The Logan County Department of Public Health is conducting free drive-thru COVID-19 testing for anyone at the Logan County Fairgrounds between 9am-11am every Tuesday and Thursday, weather permitting. Participants should bring photo identification, remain in their
